NAIC Designations are used by the NAIC Securities Valuation Office to denote a category of credit quality, ranging from NAIC level 1 (highest quality) to NAIC level 6 (lowest quality). NAIC 1, further designated as either 'U.S. Direct Obligations/Full Faith and Credit Exempt' ("Exempt List") or 'Other,' is assigned to obligations exhibiting the highest quality with credit risk at its lowest and the issuer's credit profile is stable. NAIC Level 6 is assigned to obligations that are in or near default. This means that payment of interest, principal or both is not being made, or will not be made, in accordance with the contractual agreement. PNC Treasury Money Market Fund and PNC Treasury Plus Money Market Fund are included in the Exempt List and are designated NAIC 1. The NAIC designations are not an endorsement and should not be considered by non-members in their investment decisions. For more information on the methodology visit [www.naic.org](http://www.naic.org). Due to a policy change effective July 1, 2018 by the National Association of Insurance Commissioners (NAIC), PNC Government Money Market Fund is no longer eligible for listing on the NAIC U.S. Direct Obligations/Full Faith and Credit Exempt list for mutual funds.
