*Emerging Markets Equity Fund class R shares are available for purchase but presently have no shareholders.

There is no assurance that these estimates will be met. The estimates are based upon available information as of the date indicated and it is reasonable to expect adjustments in distribution estimates (that can potentially be significant) as a result of tax adjustments and other factors. Income distributions are not included in the estimates.

The chart is intended to provide information about the potential tax characterization of the Funds' distributions. It is not intended as tax advice. The tax consequences of Fund distributions vary by individual taxpayer. Capital gains are not taxable if shares are held in tax-advantaged accounts such as IRAs.
